

Application

This luminaire is a unique combination of the age-old glass-maker's art with the latest lighting technology. The shallow design is only possible with the integration of compact, reliable and cost-effective LED sources. Available in three housing finishes and a crystal glass diffuser, allowing for the perfect coordination with other architectural details.

Materials

Pressed crystal glass with white ceramic coating on one side
Aluminum housing

NRTL listed to North American Standards, for interior use only

Weight: 17.9lbs.

Electrical

Operating voltage	120-277V AC
Minimum start temperature	-20° C
