

## Landscape transformer - 300W

**Housing:** Stainless steel NEMA 3R case, 1/8" thick with stainless steel hinges and clasps.

**Electrical:** 300W magnetic landscape transformer. 120V AC - 3A maximum primary voltage. Multi-volt secondary up to 15V. Large secondary connection block for easy wiring. Standard with mandatory secondary protection. Supplied with six (6) feet of primary line cord. Timer and photocell ready (by others).

**Mounting:** Provided with flange for attachment to wall or other suitable structure.

**Finish:** Stainless steel. Custom colors not available.

**Please note:** BEGA's approach to product design is to innovate, not follow. With a steadfast commitment to quality, each product is conceived to satisfy a general or specific lighting task as defined by its architectural or exterior surroundings. The Home and Garden Collection is designed specifically for use in Residential and Light Commercial applications. Please reference our standard BEGA portfolio when mounting provisions for the rigorous demands of high-use commercial and/or vandal prone settings are required.

**CSA** certified to U.S. and Canadian standards.

**Weight:** 20 lbs.
