

Application

This recessed trimless downlight installs flush with the ceiling plane. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light. The result is an eye-catching and elegant lighting effect.

Materials

- Die-cast aluminum
- Composite installation housing
- Silicone optic with excellent high temperature and UV stability
- Pure anodized aluminum reflector surface with matte finish

NRTL listed to North American Standards, for interior use only

Weight: 1.2 lbs.
