

Application

A large-scale STUDIO LINE ceiling luminaire. Its unique beauty and versatility are enhanced by the choice of four matte interior finishes combined with a matte black exterior finish. These finishes may be selected to complement a wide array of interior spaces. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light, creating an eye-catching and elegant lighting effect.

Materials

White high-density polyethylene diffuser
 Aluminum housing
 Mounting hardware not included

NRTL listed to North American Standards, for interior use only
 Protection class IP 20

Weight: 76.5lbs.

Electrical

Operating voltage 120-277VAC
 Minimum start temperature -40° C
 LED module wattage 91.2W
 System wattage 102.0W
 Controllability 0-10V dimming down to 0.1%
 Color rendering index Ra > 80
 Luminaire lumens 11399lm
 LED service life (L70) 60000hrs

LED color temperature

4000K (K4)
 3500K (K35)
