

Application

Baseplate accessory with freestanding design for the installation of BEGA round furniture without permanent fixation to the ground. Independent baseplate construction provides exceptional stability, allowing for flexible spatial layouts and easy maintenance without surface damage.

Materials

Galvanized steel structure

Mounting

Mounting hardware included

Metal Finish

All BEGA standard finishes are matte, textured powder coat with minimum 3 mil thickness. BEGA Unidure® finish provides superior fade protection in Black, Bronze, and Silver. BEGA standard White is a super durable polyester powder. Optionally available RAL, custom, and premium colors provided in polyester powder and/or liquid paint.
